DOMESTIC STORAGE

At Gersa Logistics we comply with the necessary requirements to provide you with the storage service under the private home address regime.

We have specialized facilities for the control of your inventories and CCTV monitoring 24 hours a day, 7 days a week.

TAX WAREHOUSE

At Gersa Logistics we are authorized to provide storage services under the tax warehouse regime.

Our tax warehouse allows you to defer taxes (for 2 years) until the extraction of the merchandise.

Benefits:

- ✓ Total or partial withdrawal of your inventories
- ✓ Significant storage and operation costs saving compared to those handled in customs offices.
- ✓ Distribution costs and time savings by avoiding their transfer from customs to their destination
- ✓ Time saving in the release of your merchandise by providing you with our experience in customs procedures.

LOADING AND UNLOADING DOCKS

Our staff is fully trained to take care of your merchandise ensuring your products integrity.

- ✓ Cross Docking.
- ✓ Transpalletmaneuvers.
- ✓ Bulkor pallet
- ✓ With forklift or hydraulic skate.

DISTRIBUTION

We have specialized services in transportation and distribution of goods.

- ✓ Local and foreign services.
- ✓ Urgent services.
- ✓ Supply to distribution center or sales point
- ✓ Evidence gathering.

REVERSE LOGISTICS

We ensure of returning your merchandise its commercial value.

- ✓ Collection of goods at the sales point.
- ✓ Repair of damaged goods.
- ✓ We refurbish your merchandise for its comercialization at the sales point.

Our experience allows us to ensure a reduction in processing times and costs.

We have a quality department to guarantee the service in time and form

INSPECTION UNIT FOR THE COMMERCIAL INFORMATION

Accredited by the **Entidad Mexicana de Acreditación (EMA)** and approved by the **Dirección General de Normas (DGN)**.

We make sure to verify that your merchandise complies with the specifications set forth by the **Mexican Official Standards (NOMs)** for its commercialization at the point of sale.
